Neater Mat™ | SILICONE FLOOR PROTECTOR

THE NEATER WAY TO FEED YOUR PETS™

Prevents food and water from splashing on your floors!

- **Spill-Proof Edges** Raised edges help keep food and water contained and off your floor
- **Anti-Skid Surface** Flat silicone surface prevents bowls and mat from sliding around on floor
- **Easy To Clean & Dishwasher Safe** Rinse off under warm water or wash in the top-rack of your dishwasher
- **Durable & Flexible** Rolls up for storage and travel

Works great under a Neater Feeder, Neater Slow Feeder, individual pet bowls, and cat litter boxes!

WARNING: Make sure no food or water is underneath mat before placing it on floor.
