### MULTI-USE MAT THAT WORKS WITH CATS & DOGS OF ALL SIZES

- **Relieves Anxiety and Boredom**
- **Reduces Destructive Behavior**
- **Slows Down Feeding**
- **Provides Engaging and Interactive Fun for Your Pets**

### INSTRUCTIONS FOR USE

Simply spread your pet's favorite soft treat or wet food onto the mat using a spatula or dull knife. Push small treats into the grooves for the ultimate distraction and lots of fun!

If you purchased our mess-proof mat tray, insert the mat into the tray and push it down so the suction cups adhere to the tray. If you did not buy the tray, you can use the suction cups to attach the mat to your floor or a tiled wall (like a bathroom during bath time).

***Need your pal's treat time to last longer?*** Place some of your pup's favorites, like peanut butter or yogurt, onto the mat and freeze it!
