Customs Details

According to shipment routing, the following customs requirements are relevant:

Direct: Canada (ACI)

CBSA Arrival Port/Sub-location 0809:3380 Destination Port/Sub-location 0701:3237.
Attention: The routing of containers is subject to change and consequently the port and sub-location codes are also subject to change.
The sub-location codes will be confirmed on the advice note distributed prior to the vessel arrival at the Canadian port of discharge. ACI direct filers are required to verify the sub-location codes at that time and file any necessary adjustments to their house bills.

This booking confirmation is subject to receiving of all relevant bill of lading / sea waybill data from the shipper in due time respectively according to local documentation closing dates/times.

Legal Terms

All dates/times are best reasonable estimates and may change. The booking confirmation is subject to sealing of container with high security seals by shipper. Container stowage on vessel is in Carrier's discretion. Carrier operates under its Bill of Lading/Sea Waybill terms and conditions which are incorporated herein by reference with the same force and effect as though fully set forth herein and which will be provided upon request or displayed in any of Carrier's/its agent's offices or under www.hapag-lloyd.com, containing liability limitations deviating from German law. As to VGM, CL 11.2 applies and shipper agrees that submission of VGM by third parties on his behalf shall be deemed authorized if such message shows: Match of container and shipment number, name of responsible party (shipper) and person authorized by shipper. Carrier may ask for further information due to country requirements and relies in the correctness of the transmitted data. Carrier will not verify authorization or VGM. Shipper shall monitor its VGM on www.hapag-lloyd.com/en/my_shipments.html and shall notify Carrier promptly if VGM is not correct.
